This is cat.

This is dog.

Cat and Dog look through the window.

They look through the window.

Then Cat and Dog see a butterfly!

The butterfly is pink.

Cat and Dog want to catch the butterfly.

Cat and Dog follow the butterfly.

They follow the butterfly.

Cat and Dog follow the butterfly by foot. They walk after the butterfly.

But the butterfly is fast. The butterfly is too fast and Cat and Dog are slow. They are too slow.

Cat and Dog follow the butterfly by bike. They ride after the butterfly.

But the butterfly is fast. The butterfly is very fast, and Cat and Dog are slow. They are very slow.

Cat and Dog follow the butterfly by car. They drive after the butterfly.

But the butterfly is fast. The butterfly is still too fast, and Cat and Dog are slow. They are still too slow.

Cat and Dog follow the butterfly by boat. They float after the butterfly.

But the butterfly is fast. The butterfly is super-fast, and Cat and Dog are slow. They are still super-slow.

Cat and Dog follow the butterfly by plane. They fly after the butterfly.

But the butterfly is fast. The butterfly is still super-super-fast, and Cat and Dog are slow. They are still super-super-slow.

Then Cat and Dog stop.
They stop and sit down.
They sit down at a tree.

They sit down at a big tree.

But then...

They see one butterfly in the tree.

They see two butterflies in the tree.

They see three butterflies in the tree.

They see a hundred
butterflies!

Bye bye Cat.

Bye bye Dog.

Bye bye butterflies.

About Biblioneef

We all want children to become readers – to have empathy for characters, big vocabularies and imaginations, and to be able to immerse themselves in another world through a book. Biblioneef places a strong emphasis on reading for pleasure; we believe children should have a sense of fun as they read. It should not be a chore, but an exciting activity, something to look forward to.

To achieve this, children need to be exposed to books with great stories. Books which help with children's literacy development, give access to information and education, and teach them to think for themselves – to make good decisions.

Biblioneef's goal is to make a profound impact on the lives of children and we are deeply committed to giving all children access to books. Biblioneef foundations provide new books to library projects for children who have no access to books. Books containing stories they can relate to and learn from.
