STAGE 4

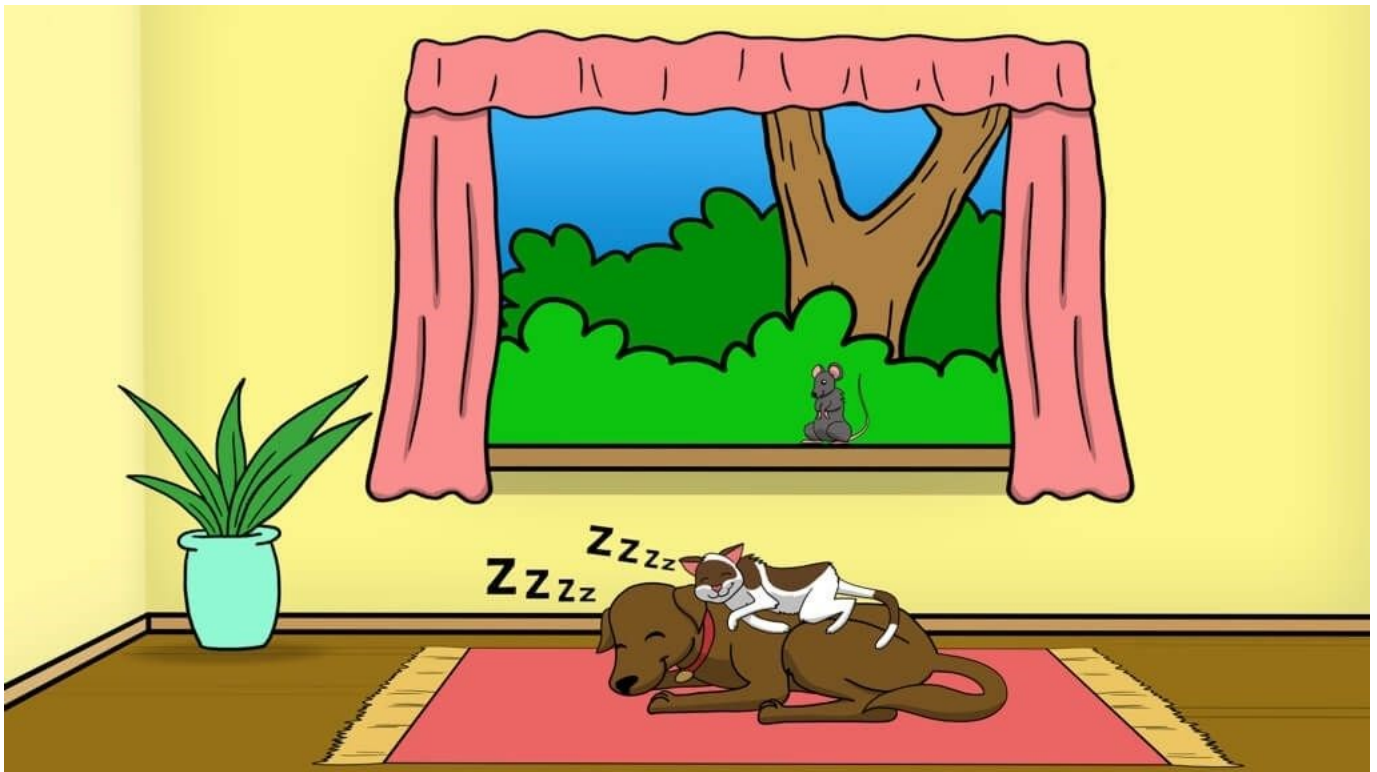

Naptime

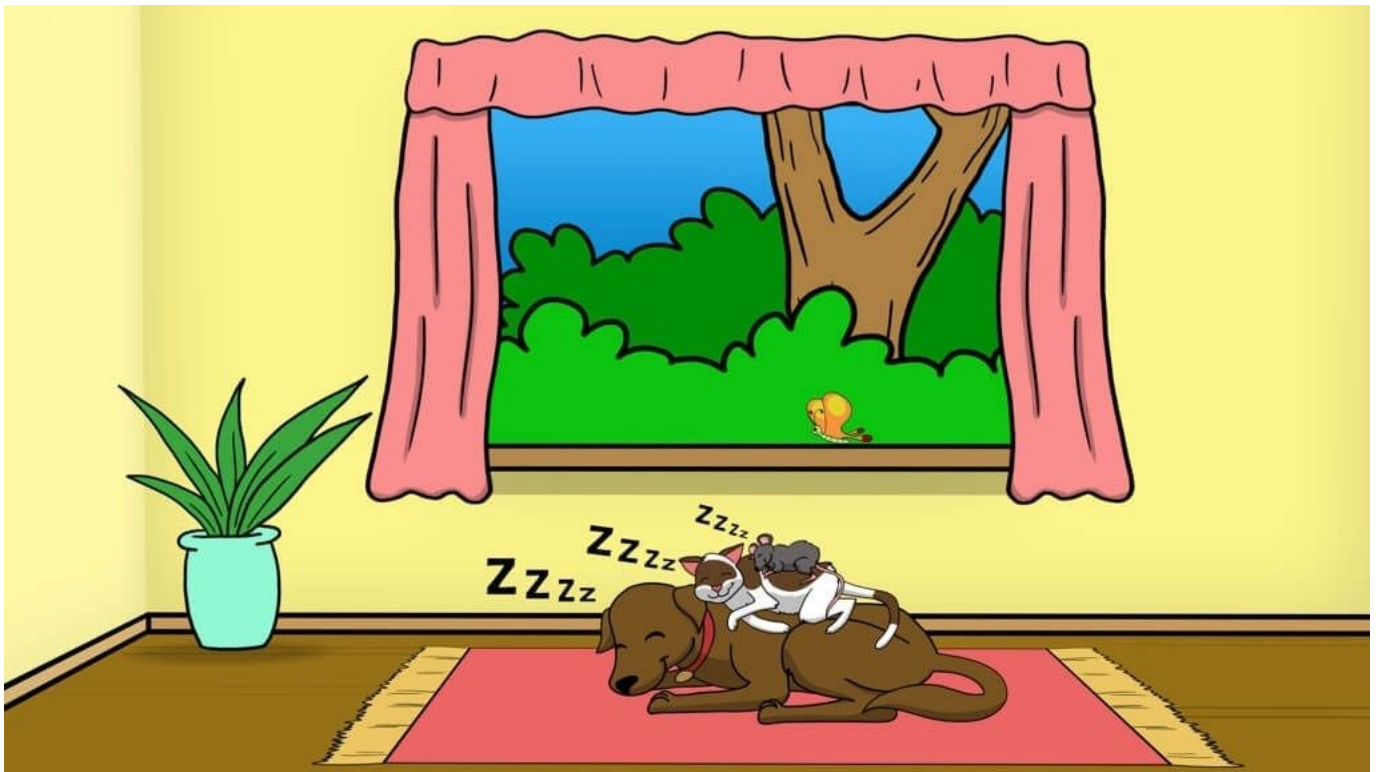

It is naptime for the dog. He settles down on the cozy pink rug and falls asleep.

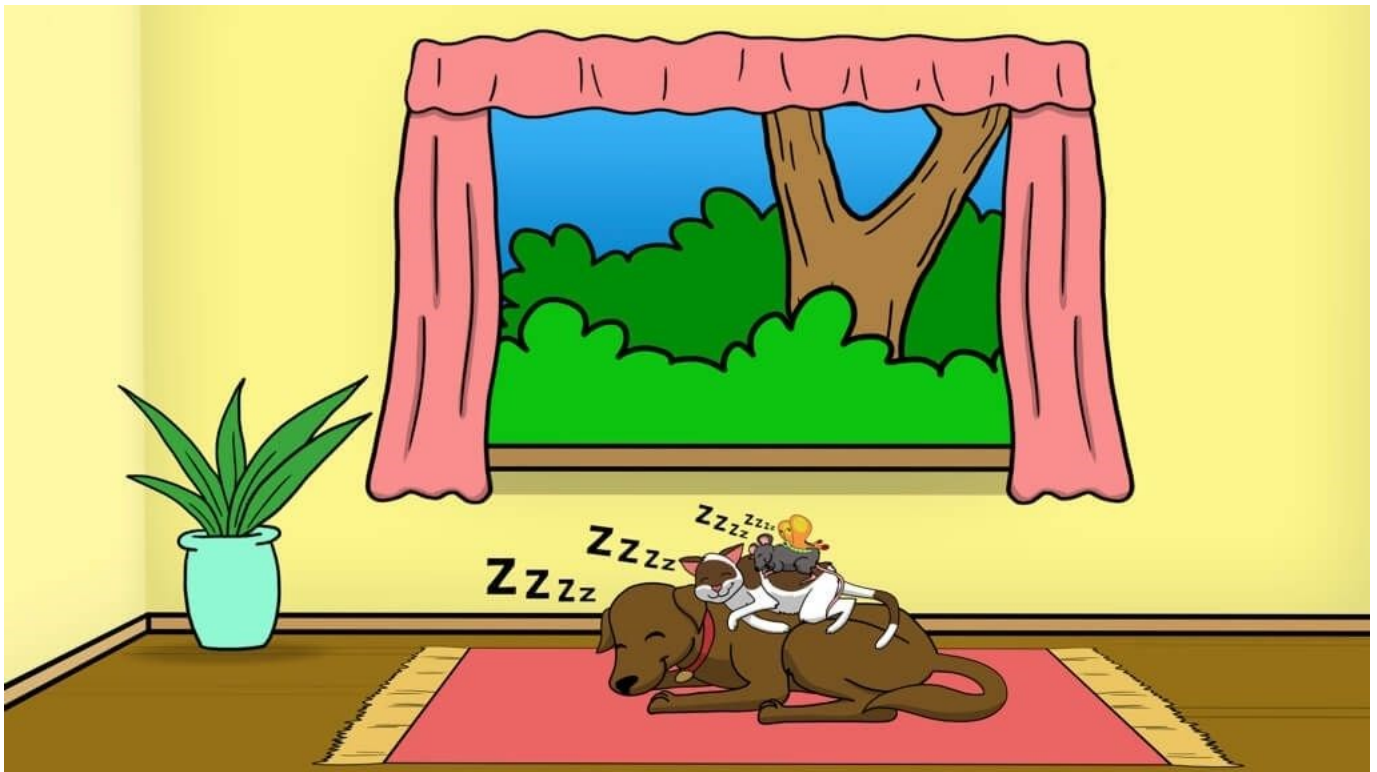

While the dog sleeps on the rug, the cat peeks in the window. "I want to take a nap, too," meows the cat.

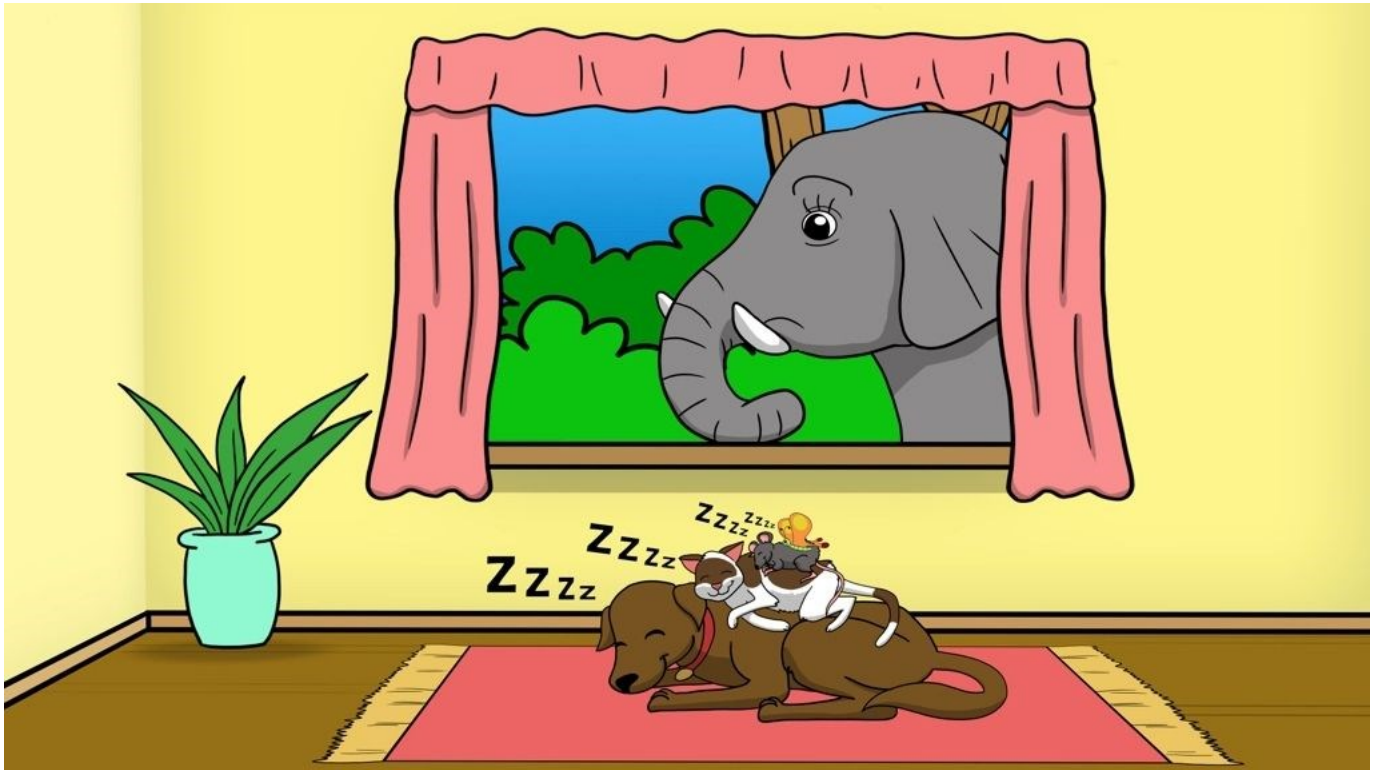

So, the cat creeps in and falls asleep on the dog's back. A mouse sits on the window sill. "I want to take a nap, too," squeaks the mouse.

So, the mouse sneaks in and falls asleep on the cat's back. A butterfly lands on the window sill. "I want to take a nap, too," whispers the butterfly.

So, the butterfly flutters in and falls asleep on the mouse's back. All of a sudden the rug shakes.

It's an elephant! "I am sleepy, too," trumpets the elephant.
