

Chip Can't Nap.

1.

Chip is sleepy.
It is time for his cat nap.

2.

He sleeps by a shop.
His bed is a hat.

3.

He hears a loud thud!
And then a bash!

4

"What was that?" he thinks.

5.

It is the trash can. A man from
the shop shut the lid.

6.

"Okay, now I can nap," Chip thinks. He closes his eyes.

7

But then he hears a horn honking!

8.

He gets up and runs to the street. He wants to see what is the problem.

9.

Chip sees a taxi cab. The cab is honking the horn.

10

"Ugh!" Chip says. "Will I ever get to take a nap?" Chip is sleepy.

11.

Chip sees a van by the shop. "Maybe I can sleep in the van," he says.

12.

But the van windows are shut.

13

"I really need a nap," Chip says.
He is very, very sleepy.

14.

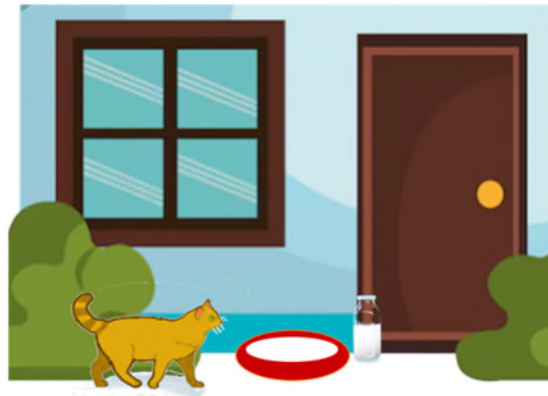

Chip runs to his friend Pat's house. "I will take a nap here," he says.

15

He falls asleep in the soft grass by the house.

16

When Chip wakes up, he finds a gift. Pat has left him a bowl of milk.

17.

Chip licks the bowl. He ate all the milk. He is a happy cat now.
