

Time to Bake

A big baker makes some bread
He wiggles his belly and shakes his head

Jip and jab, rub-a-dub
He washes his hands in a big old tub

Bash and dash, and then a thud
Bam and jam, chop and cut

The pot is big, and the lid is shut
The water boils, and the pan is hot
Sizzles zizzle and bubbles pop

The oil spits above the heat
The dogs are hungry, they want to eat

The ham is hot, and the dogs will fuss
Yip and yap, and then ...

a hush.
